

Jai MahakaliShikshanSanstha's

AGNIHOTRI COLLEGE OF ENGINEERING

Nagthana Road, Sindhi(Meghe), Wardha

Approved by, AICTE New Delhi, DTE Mumbai, Recognized by Govt. of Maharashtra Affiliated to R.T.M.Nagpur University, Nagpur

MANDATORY DISCLOSURE

Sr.	Mandatory Disclosure	Updated on 26th October 2024	
No.			
1	AICTE File No.	F. No. Western/1-10976045319/2022/EOA/	
2	Date & Period of Last Approval	Date: 23-Mar-2024 (Extension of Approval	
		for the Academic Year 2024-25)	
3	Name of the Institute	Agnihotri College of Engineering	
4	Address of the Institution	Near By Pass Highway, Nagthana Road	
		,Sindhi(Meghe), Wardha, (MS) 442001	
5	City & Pin code	Wardha 442001	
6	Longitude & Latitude	Latitude 20.7414° N, Longitude 78.5831° E	
7	Phone Number with STD code	07152-250159	
8	FAX Number with STD Code	07152-250159	
9	Office hours at the Institution	10.00 am to 5.00 pm	
10	Academic hours at the Institution	10.00 am to 5.00 pm	
11	Academic hours at the Institution	10.00 am to 5.00 pm

	University	University,
15	Latest affiliation Period	2024-2025
16	Address	Nagpur. (MS)
17	Website	www.nagpuruniversity.org
18	Category (2) of the Institution	Co-Education
19	Name of Organization running the institution	JMSS Educational Trust
20	Type of the organization	Trust :-Jai MhakaliShikshanSanstha
21	Address of the organization	Agnihotri College Campus , Bapuji Wadi Ram Nagar, No. 14 Wardha-442001 Ph: 07152-250159 Fax:- 07152-250159
22	Registered With	Registrar of Societies, (MS)
23	Registration Number & date	No. MAH/245/85(Wardha)
24	Website of the Organization	www.agnihotrigroup.org
25	Latest affiliation Period	2024-25
26	Name of Principal	Dr. Bhalchandra Gogte
27	Name of Coordinator	Prof. Abhishek Kumar
28	Email	principalace2009@gmail.com
29	Governing Board	JMSS
30	Frequency of meetings & date of last Meeting	26/10/2024

Vision:

• To create value added competent and research oriented trained engineering professionals for sustainable development of the society.

Mission:

• To develop globally competent efficient learner and community oriented model of engineering education.

Principal's Message:

It's my privilege to warmly welcome you to Agnihotri College of Engineering, committed to achieve academic excellence by inspiring, transforming and developing young students and deliver them as effective and dynamic industry ready professionals. The College encourages and coaches students to become innovative and critical thinkers who produce quality work. We support students in gaining academic skills, content knowledge, healthy habits and sound decision making. In the process of learning, we encourage students to think about various points of view and perspectives. We, at ACE, groom the students to develop the skills, capacity, and creativity to lead productive lives and positively contribute to the community and the world in which they live. We work with all our students to help them develop the right attitude that will facilitate them in taking leadership and finding productive solutions to the challenges.

Words from President Desk :

I proudly welcome you all to a new arena of technology to explore the world. The Agnihotri College of Engineering. Our world is magical. Science has contributed phenomenal progress to our civilization. Our explorations of the secrets of this world through the five basic senses we possess, have improved our lives, to a lofty platform. Yet, we are now inclined more on satisfying these five senses. My appeal to you ladies and gentlemen, as the aspiring technocrats, goes beyond these five senses and listens to the voice within you.

I am sure you will find a larger purpose for learning engineering. I personally believe, each decision to study engineering should deliver a positive outcome to mankind. There is still a lot for you to discover, invent and reveal. Man is always intrigued by curiosity. The urge to know is always there. The thirst for knowledge has re-defined the purpose of our lives. Our purpose here is to cultivate communities, associations and relationships that make mankind flourishing. Because education gets better through experience.

Words from Secretary Desk:

Our vision is to develop a strong, enthusiastic manpower from Engineering Stream with an excellent academic standing of a global level. The globalization has created many challenges of Competition, training and placement of engineering students. We will certainly care for humanitarian aspect of education. Our Mission is to provide world class excellent teaching, training and environment for students. To imbibe and cultivate the spirit of brotherhood, cooperatives and team work in students. To inculcate novel ideas about designs, programs and processes in the latest fields of engineering. To have very strong industry institute interactive and germinate the seeds of entrepreneurship in students. To develop personality of the students by various activities like debates, discussions and cultural programs.

Basic Science & Humanities Department

Vision:

To be a premier center for foundational scientific education, research, and innovation, fostering interdisciplinary collaboration and producing graduates equipped to address global challenges with creativity and ethical leadership.

Mission:

- To provide rigorous academic programs that blend foundational sciences with engineering principles, fostering a strong theoretical understanding and practical skills among students.
- To cultivate a culture of research and innovation, encouraging faculty and students to engage in cutting-edge research that addresses realworld challenges and contributes to advancements in basic sciences and engineering.
- To nurture a diverse and inclusive learning environment that promotes collaboration, creativity, and ethical leadership, preparing graduates to excel as competent professionals and responsible global citizens.

Teaching Staff :(Basic Science & Humanities Department)

Sr. No	Faculty Name	Designation	Qualification
1.	Miss. Sneha Santosh Hiwarkar	HOD	M.Sc. Chemistry, B.Ed
2.	Miss .Nikeeta Niwrutti Mahakalkar	Assistant Professor	M.Sc. Physics
3.	Miss .Vaishali Kedar	Assistant Professor	M.Sc. Mathematics
4.	Ms.Monika Bhirange	Assistant Professor	M.Sc. Mathematics
5.	Mr. Shilwan Fulkar	Assistant Professor	M.A. (English)

Sr. No.	Name of Particular	No. of Quantity
1.	No. of Classes	05
2.	Total No. of LAB	04
3.	No. of Student in 1 st year 2024-25	78

1.	Physics	1
2.	Chemistry	1
3.	Language Lab and	
4. Computer Programming		1
5.	5. Workshop	

Sr. No.	Particulars	Yes / No
1.	Hostel Facility	YES

Civil Engineering Department

Vision:

Dedicated to providing civil engineering services that benefit society as a whole, with a focus on applied research, creativity, and entrepreneurial abilities, together with value-based, cutting-edge technical knowledge.

Mission:

- To encourage and carry out studies pertinent to the field of civil engineering.
- To improve our social ties with all parties involved in order to promote the overall welfare of humanity.
- To serve as a mentor for students' creative thinking that is applicable to entrepreneurship.
- To strive for excellence in every aspect of civil engineering.

Teaching Staff : (Civil Engineering Department)

Mechanical Engineering Department

Vision:

Our vision is to provide top-notch education in Mechanical Engineering, Entrepreneurship, and Innovation through the integration of advanced teaching techniques and collaboration with industry partners.

Mission:

Our mission is to provide students with a sound mechanical engineering education, advance the understanding and application of mechanical engineering principles with best technical skills and problem solving abilities through teaching, research and outreach training programs.

Teaching Staff :(Mechanical Engineering Department)

Electronics & Communication Engineering Department

Vision

"To develop competent technocrats who strives continuously in pursuit of professional excellence in the field of Electronics and Communication Engineering."

Mission

- To provide State-of-art technical education in the Electronics and Communication at undergraduate levels.
- To function collaboratively with technical Institutes/Universities/Industries of National and International keep abreast with latest technological innovations to enhance the R and D activities.
- To adopt the best educational methods to improve teaching learning process continuously. To encourage students for higher education, entrepreneurial and ethical future.
- To provide updated facilities and environment to the students. Faculty members for continuous improvement to keep abreast with latest.

Computer Science and Engineering Department

Vision:

To enhance and empower the capability of youth in education and research being capable of offering innovative solutions to the challenges faced in the computing community test.

Mission:

- To import ethical and value education for social cause.
- To prepare graduates for successful professional careers by adapting rapidly changing technologies meeting the aspiration of global organizations.
- To encourage the students for carrying out research activities and lifelong learning.

Teaching Staff :(Computer Science and Engineering Department)

Electrical Engineering Department

Vision:

The Electrical Engineering Department envisions a future where innovation drives progress and connectivity transforms lives. We strive to be pioneers in cutting-edge research, pushing the boundaries of technology to solve global challenges. Through interdisciplinary collaboration and a commitment to excellence, we aim to empower our students to become leaders in the field. Our vision is to foster a diverse and inclusive community that thrives on creativity, collaboration, and ethical responsibility. Together, we aspire to shape the future of electrical engineering and make a meaningful impact on society.

Mission:

Equipping students with the knowledge and skills necessary to become successful electrical engineers. This involves providing a strong foundation in electrical engineering fundamentals and preparing graduates to design, analyze, and implement electrical systems.
